## Mezzanine Floors

Thistle Systems has developed our enviable position for being one of the country's leading companies for designing and installing Mezzanine Floors with an extensive portfolio of very satisfied clients.

### Industrial Mezzanine - Whitelea Wind Farm

Thistle's combined expertise in mezzanine floors and interiors was demonstrated with the installation of this secondary storage mezzanine and additional building works to connect the upper level to an existing office area.

### Industrial Mezzanine - Loxley Colour

Thistle Systems has enabled Loxley Colour, one of the UK's leading photographic printing facilities to expand its production space in its Glasgow premises by an impressive 30% with the installation of a superb industrial mezzanine floor.

### Retail Mezzanine Floor - House of Bruar

Thistle Systems has demonstrated the level of finish mezzanine floors can achieve with a spectacular 9600 sq ft installation in the House of Bruar in Perthshire to create a new retail area with storage facilities above.

### Storage Mezzanine - South Lanarkshire College

Thistle Storage Solutions has reinforced its position as one of the UK's market leaders in storage solutions for the Education Sector by installing a 50 square metre mezzanine floor for South Lanarkshire College.

### Office Mezzanine - Mitsubishi

Thistle Systems enabled Mitsubishi to maximise every inch of floor space in one of its car showrooms by installing this office mezzanine and spiral stair.
